

Come Support the Techno Wolves Team5518 by volunteering at the Belk Charity Day Sale on Saturday, November 4 from 6 to 10 am.

Belk is offering a private 4hour sale that is dedicated to supporting local charities, schools and non-profit organizations.

If you can't volunteer, no worries! You can help raise money for Techno Wolves by purchasing and selling tickets to this exclusive sale.

Every \$5.00 ticket grants you access to this special 4-hour sale in which you will be able to save 20-70% off Belk purchases storewide including special savings on rarely-discounted brands. And they will be rewarded a \$5.00 off their purchase. It is a win-win!

In addition to a private sale just for our contributing customers, Belk will be giving away several gift cards. The first 100 customers to arrive at our store the morning of the charity sale will receive a Belk gift card ranging in value from \$5.00 to \$1000.

Customers who are unable to attend may pre-sell their merchandise prior to the event and return to pick up their purchases after the event ends at 10 a.m.

All participating Charities will be entered for a chance to win a \$1000 donation from Belk. Three winners will be awarded these donations.

All the tickets proceeds will go to support the Techno Wolves. There is no limit to the number of tickets you can sell, or the amount of money that can be raised, so everyone benefits.

Remember, whatever the group collects ahead of the event is ours to completely keep and it is not divided amongst the other charities.

Only the day of the event is when the tickets will be divided amongst all the non-profit organizations that sell tickets and volunteer.

Tickets can be used at any Belk locations in the Southeast.

Techno Wolves booth will be at the Belk in Crabtree Valley Mall in Raleigh at one of the entrance.

Thank You,

Techno Wolves Booster Club
